Monologue

Talk for about 5 minutes:

1. Tell an anecdote about a time when you felt terrible disappointed about something. Organise your talk as follows:
 - describe the background to the story
 - explain what happened
 - explain what happened in the end
 - describe your feelings and those of others

2. Express your opinion and give reasons to defend your point of view on one of these topics:
 - Should animals be used in medical experiments?
 - Should animals be killed for food?
 - Do films and TV programmes have a bad influence on us? Is society more violent as a result?
 - What is the stereotype of your nationality? Do you agree with it? Why/not?

Interaction
